*Cluster Newsletter Fall 2025*

### A note from our Parish Director

It is hard to believe that summer is over and our fall season is upon us. As the weather gets cooler and farmers' fields yield their crops to a hungry world, I am reminded of how hungry our world is for hope. In these final months of 2025, we will close out the Jubilee Year of Hope that was instituted by the late Pope Francis last winter. It is a great time to think about how we can continue to be Beacons of Hope in our broken world that is so hungry for the love, mercy, compassion, healing and forgiveness of Christ.

We can bring that hope to our world. Like the fireflies that were so prevalent this summer, we can bring flickers of light into the darkness that all too often takes up its dwelling in others' lives. We can also stay attentive to the light that others so often shine in our times of darkness. All of these are signs of hope.

Be fireflies to others. Watch for the fireflies that shine for you. They are all around. Fireflies do not only exist in grassy meadows, gardens and farmers' fields. Fireflies appear in workplaces, homes, neighborhoods and churches. They show up in school classrooms, hospitals and at the dinner table. Fireflies can speak words of comfort or sit in silence when there are no words that can ease another's pain. Fireflies can glow in the fist bump from a colleague on a particularly difficult day or in a card, email or phone call received from a friend. They shine their light in times of darkness, gloom and despair. Fireflies can glow alone or in groups of like-minded carriers of hope.

Let us be attentive to the fireflies in our lives, and let us take the time to be fireflies to others.

Shine fireflies, shine!

*Deb Hamm, Parish Director*

### A Prayer for Catching Fireflies

Light of the World, as I wander around barefoot and catching fireflies, help me to be mindful of the way their glow lights up the night. This is what you do, Lord. You bring light to the dark spaces. And when the sun starts to set, and my own brightness seems dull, remind me that, like the fireflies, you use me to light up this dark world, too.

## ARE YOU CALLED?

Many times people ask how they can help. Serving in one of our Mass ministries is an easy solution. Since you are already attending Mass, it often takes just an extra 15-30 minutes of our time to be of assistance to your Church Community. Each of us has been given unique talents by God. Are you a good reader? Do you have a great singing voice? Are you a young person who would be good at serving Mass? We ask that you prayerfully consider whether God is calling YOU to participate as a lector, server, sacristan, usher, music minister, Eucharistic minister, bringing communion to the sick or another ministry in our cluster.

Contact either parish office if you are interested, or if you have questions. Calling with questions won't automatically sign you up. Training will be provided.

# Divine Savior Catholic School

Divine Savior Catholic School is off to a great start! This year we will be focused on our theme: Let Your Light Shine. Each month we will highlight a new way that God calls us to let our light shine. During the month of September, we will focus on PATIENCE. We are looking forward to seeing how patient our students and staff can be this month.

We have some exciting news! In May we received a Bruce Krier Grant. This was a health and safety grant. This summer we were able to replace the old flooring in our 5K-3rd grade classrooms. The floors look amazing and our students and teachers are loving the updates. We will also be adding an AED to our 2nd floor and our new lunch tables are on the way. The Bruce Krier Foundation is a true blessing for our school.

DSCS is thrilled to welcome our new 4th grade teacher, Amanda Longden. Amanda comes to us with a wealth of knowledge and experience in Catholic education. She is familiar with our community and is connected with our cluster parish. Amanda is off to an amazing start and it feels like she has always been a part of our school community.

*Yours in Faith, Principal Lynn Sauer*

The DSCS PtA, our main fundraising group, has an exciting fall event coming up! On Saturday, October 18 we will be having our 4th annual Smarty Pants Trivia Event. This is our PtA's largest fundraiser of the year. It includes an evening of fun, food & trivia, an online auction and a calendar raffle. Watch for information to register your team coming soon!

## MEET OUR NEW FOURTH GRADE TEACHER, MRS. AMANDA LONGDEN:

*This is my first year teaching fourth grade at Divine Savior. I was a principal for five years at Holy Trinity prior to coming to Divine Savior. I previously taught 1<sup>st</sup> grade for one year and 5<sup>th</sup> grade for four years at Holy Trinity before becoming principal. Before Holy Trinity, I taught sixth grade at St. Rafael the Archangel School in Milwaukee and I also taught General Music to grade 4K-8. I have done a lot of long term substitute teaching and summer school teaching as well.*

*My educational background includes earning my Director of Instruction and Principal Licensure through Concordia University. I also earned my Reading Specialist Certification and Reading Teacher License from Concordia University in Mequon. I received my Masters of Science in Education from Concordia University allowing me to teach general education 1<sup>st</sup>-8<sup>th</sup> grade. I received my Bachelors of Music Education in instrumental and general music from the University of Wisconsin-Eau Claire. I believe that in order to be a successful teacher, you must also be a lifelong learner.*

*Divine Savior is filled with the love of Christ in all of the staff and families. There are many positive things about the school, students, and families, and I am so thrilled to be teaching here. Sincerely, Mrs. Longden*

## Cluster Youth Faith Formation News

Happy “almost” fall y’all. Fall has always been my favorite time of the year. There’s something refreshing about the crisp cool air, watching the colors change and looking forward to the smells and tastes of all the fall favorites. It’s also fun to watch the animals gather and prepare for the cold, dark winter ahead. As Christians, we are called to look forward for the coming of joyful times and always be prepared for whatever temporary “winters” we may encounter. We are called to be a people of hope, because we know that God is walking with us through those dark, cold times and bringing us through to a season of joy and peace.

This Faith Formation year we will be focusing on the theme of hope and salvation. In our prayer services with the older students (grades 7<sup>th</sup>-11<sup>th</sup>), we are going back to the very beginning with the fall of Adam and Eve, and then travel through the Old Testament that led to God’s gift of His son for our redemption. We live in a time when sin is celebrated and the existence of evil isn’t taken seriously. What we do need to know and celebrate is God’s great mercy and love for us and our hope in salvation.

Our prayer services for the younger students (grades K5-6<sup>th</sup>) will be on the role of the Holy Spirit, the gifts we receive and the fruits of the spirit we are called to bear. By using those gifts and bearing those fruits, we bring hope to others who are searching for God.

I’d like to take this time to introduce and thank our catechists and volunteers who will be teaching and walking with our youth this year: Dana Fischer (K5-1<sup>st</sup>), Kelsey Plier (aide); Jenny Stenwell (2<sup>nd</sup>); Madonne Rauch (3<sup>rd</sup>), Eve Burmesch (aide); Kristin McCabe (4<sup>th</sup> & 5<sup>th</sup>), Antonette Zellmer (aide); Kati Dimmer (6<sup>th</sup>); Cori Dimmer (7<sup>th</sup>); JoAnn Karpin (8<sup>th</sup>); Rusty Zimmerman (8<sup>th</sup>); Darrell Boeck (9<sup>th</sup>); Matthew Boeck (10<sup>th</sup>); Bill Johannes and Joe Watry (Confirmation); Janine Morano (aide); Suzanne Ramirez, Leon Jacoby (security) and Eric Riesselmann (substitute teacher and aide).

Along with our prayer services and regular Wednesday night classes, we also have several family events scheduled for this year along with 2 guest speakers. Franki Moscato, who is a singer and American Idol gold ticket winner, will give her testimony on giving up her career to follow her faith. We will also have Archbishop Grob come and talk on his experiences with exorcisms and demonology.

We have a lot of great programming for this year and I’m looking forward to another great season of growing in our faith and bringing hope to others.

Peace and blessings, Terri Riesselmann, Director of Youth Faith Formation

## **Behold My Child: Memorials to the Unborn**

*Like several Catholic parishes, we are beginning a new ministry to provide burial space in our cemeteries for the remains of miscarried, stillborn or young babies. For too long, families who suffer through these tragic losses have often grieved quietly. Sometimes, others did not even know if a woman had a miscarriage. Other times, they might not have talked about it for decades, if ever. This memorial space would provide a place where families who have lost babies and young children can visit to remember and feel connected to their beloved babies.*

**How can you help?** We would like to offer this service free of charge. If you would be interested in helping make this service available to grieving families and could make a donation to help this project become a reality, please contact Terri Schueller in either of our parish offices.

We are blessed! **We are grateful for the generous donors who have already stepped forward with donations.** The first cemeteries to offer these services will be Holy Cross and Random Lake, as we have had several donations to cover these two memorial stones. Work has already started at the Holy Cross Cemetery to level off a new area to provide a special place for these precious little ones. We have also received some donations for other cemeteries in our clusters. As donations continue to come in, we will add spaces at Lake Church, Dacada and Fredonia.

After the initial expense of the memorial stone, we will have some on-going costs, as we would like to have in-ground plaques provided for each child with a name and date, or simply “Smith Baby” and date. Please pray about how you might be able to help make this project a reality.

Please join us and tell your friends!

We are Missionaries doing important work in direct service to our neighbors in need!

### ***Archbishop Grob has issued a Marriage Validation Initiative***

What does that mean? He would like to invite anyone who was married in a civil ceremony to consider having their marriage blessed (validated) in the Catholic Church. There are some steps that need to be taken to make this happen. If you would like to know what that entails, please contact Deb Hamm.

## **Have you been away from Mass awhile?**

We miss you and we invite you to consider coming home and joining us for prayer and worship again. In recent months, we have seen familiar faces returning to our pews.  
**YOU ARE ALWAYS WELCOME HERE!**

### **Join our TMIY Men's Group**

Join our **Men's Group every Wednesday morning at 6:00 AM at Holy Cross from September 10<sup>th</sup> to December 10<sup>th</sup>** for our Fall semester. There's a light breakfast and coffee available starting at 5:45am and the group finishes by 7:00am. All men are welcome to come to one session or as many sessions as they wish.

This year's program, Becoming a Man After God's Own Heart, involves dynamic Catholic speakers and small group discussion as we learn and discuss the four leadership roles and the five personal traits necessary to fulfill authentic male leadership. The fall semester will help us grow in our understanding of how Christ perfectly fulfilled the leadership roles of man and offers every man the opportunity to do so.

Commit just one hour each week this fall and Advent for God, your wife, your children, and yourself. Contact someone you know that attends or Tim Shiningar at [tjshiningar@gmail.com](mailto:tjshiningar@gmail.com) Cell# 262-623-2086 for more information.

The OLL Human Concerns Committee will be hosting an **American Red Cross Blood Drive** on Monday, October 13, from 1-6 pm in the OLL Parish Center. Schedule an appointment at [WWW.REDCROSSBLOOD.ORG/GIVE.HTML/FIND-DRIVE](http://WWW.REDCROSSBLOOD.ORG/GIVE.HTML/FIND-DRIVE). Type in zip code 53075 to find the Our Lady of the Lakes Blood Drive.

During the month of November, we honor our deceased family members and friends by setting up an **Eternal Life Tree** by the Blessed Mother's altar at both parishes. Parishioners may bring memorial cards for their loved ones to put on the tree during November. The names of the deceased parishioners from the last year will be read at all cluster weekend Masses on November 1 & 2.

## Upcoming Events at St. Nicholas Dacada:

**All Souls' Day Service** Sunday, November 2 at 1:00 with refreshments in the church basement to follow.

**Eucharistic Adoration** on Sundays from 1:30 to 3:30 on September 14, October 12 and November 9.

**Adult Sacraments:** The name has changed from **RCIA** (Rite of Christian Initiation for Adults) to **OCIA** (Order of Christian Initiation for Adults). If you or someone you know would like to become Catholic, maybe now is the time! Also, if you never received the **Sacrament of Confirmation** as a teenager, you could still do that.

**Contact Deb Hamm for information on what is entailed in completing these Sacraments.**

All Souls' Day is on Sunday, November 2. There will be prayer services at many of our cluster cemeteries that day. These are the tentative times for Cemetery Prayer services. Watch the bulletin for final times.

9:30 am St. Mary Cemetery, Random Lake  
after the 8:15 am Mass

11:00 am Holy Cross Cemetery, Holy Cross  
after the 10:00 10 Mass

1:00 pm St. Nicholas Cemetery, Dacada  
with refreshments to follow

2:30 pm St. Patrick's Cemetery, Adell

4:00 pm St. Mary Cemetery, Cascade

5:00 St. Mary Cemetery, Lake Church

**Baptism Class:** If you are a new parent or expecting a child, and it has been three years since your last child was baptized, you need to take a class before having your child baptized. Consider taking the class while you are pregnant. Contact Deb Hamm to set up a class.

**BAPTISM FOR AN OLDER CHILD:** If you have a child younger than second grade who has not yet been baptized and you want them to receive First Communion in second grade, you must have your child baptized before their first day of Second Grade. Contact Deb Hamm for details. After the first day of second grade, an unbaptized child needs to go through a lengthy preparation period and they then receive the Sacraments of Baptism, Confirmation and First Communion all at one time.

**Hospital Visits:** Please remember if you or an immediate family member is hospitalized and you'd like the parish to know, you should call your parish office. The privacy laws make it very difficult for us to know if someone is in the hospital. Even if someone at the hospital says they will notify your parish, they don't always do so.

Don't forget to order your Scrip to support Divine Savior Catholic School.

Scrip is ordered every other week, but we have plenty of venders in stock. There is also the option for a mobile app to download "e-cards" if that is easier for you. If you would like directions on the mobile app, please reach out to Jen Stern by phone at 262-689-8825 or email at [jennifer.huiras@yahoo.com](mailto:jennifer.huiras@yahoo.com).

There are Scrip order forms at the back of Holy Cross Chapel. We look forward to filling your order!

You may have noticed some new faces serving Mass. Please thank them for their willingness to assist our priests at the altar. However, both Divine Savior and Our Lady of the Lakes are in still need of more **Mass servers** at all our Masses.

Please consider volunteering. Training will be provided. Children who have received their First Communion or older and adults are welcome to serve. Please call either Parish Office if you are interested.

**FORMED:** Our cluster has renewed our cluster-wide online subscription to FORMED, a platform of Catholic resources. To sign in, go to [www.FORMED.org](http://www.FORMED.org) and click on the sign up tab. Then click on the "Sign up as a parishioner" tab. Type in the zip code for Fredonia (53021). Click on Divine Savior Parish and hit next. Enter your name and email, and click on sign up. You will then have access to a wide variety of Catholic resources.

## Our Lady of the Lakes has a new SOUND SYSTEM AND NEW CAMERA FOR THE OVERFLOW AREA!

Lisbon Creek is the company that installed our system, which is working well. There may be a few kinks to work out the next couple of months. Please be patient. We are also getting bids on safety cameras. Stay tuned!

## Divine Savior is getting new SOUND SYSTEMS/OVERFLOW CAMERA

**at Holy Cross and St. Rose Chapels in  
the coming months!**

Lisbon Creek will also be doing that work. It will take several months for that work to take place. We are also getting bids on safety cameras at Holy Cross Chapel (St. Rose and DSCS already have safety cameras). Financing for these projects came out of the Love One Another Campaign donations. Thank you again for your continued generosity.

We need your help! We have to install a new septic system at Holy Cross Chapel. As part of the project, a new filter bed will be installed between the east end of the chapel and the farm field. **Thanks to all those who have donated, we have been able to reach 53% of our goal.**

We cannot use Love One Another (LOA) money for this project because that money was earmarked for specific projects. The three remaining projects under LOA funding are the Audio Visual upgrades (coming soon), the Holy Cross parking lot and to enhance our parish ministries.

Please prayerfully consider if you can financially support this project. If so, please send your donation to the Divine Savior Parish Office or drop it in the collection basket at Mass.

During the Love One Another Campaign three years ago, some parishioners said they would be happy to donate to projects here at home. Now is your chance!

Contact Deb Hamm or Terri Schueller if you have questions.

We are deeply grateful to all of you who give so generously of your time, talent and treasure. We could not continue to operate without your help.

Our giving categories in both parishes are quite similar. Did you know that close to 60% of our registered parishioners contribute to our parishes?

Fifteen percent of our parishioners give between \$1001 and \$2000, which is the most popular range. Four percent give at least \$10,000.

Nearly 40% of our registered parishioners give no financial support to our parish.

We are deeply grateful to those who are regular givers of time, talent and treasure.

If you have not been a regular financial contributor, we invite you to prayerfully consider whether you may be able to give even a little...the cost of a coffee a week, or a couple of pizzas a month, perhaps?
