Make Family Prayer a Priority this Fall

Praying together as a family can be a powerful way to grow in our faith. Why not make it a goal this fall to set aside time to pray as a family? You can share your joys, pray over your children, practice recited prayers or even create a prayer jar to help focus your prayers.

Catholic Social Responsibility

As Catholic school educators in the Archdiocese of Milwaukee, participating in the evangelizing mission of the Church, we are committed to the following Guiding Principles in our efforts to teach all students to understand their responsibility to act as disciples of Jesus Christ, especially within the context of contemporary social challenges. At DSCS, we take this mission very seriously. Use the link below to learn more about Catholic Social Teaching.

Carlo Acutis (1991–2006) was a British-born Italian teenager known for his deep Catholic faith and for using his computer programming skills to evangelize online. He was beatified by the Catholic Church in 2020 and is scheduled to be canonized as a saint on September 7, 2025. Often called "God's influencer" and the "first millennial saint," he is an inspiration for many young Catholics.

At DSCS our students and staff join together for Adoration monthly. It is a powerful time for us to adore and honor the Eucharistic presence of Christ. Jesus is truly present in the Blessed Sacrament – His body, blood, soul, and divinity. He waits for our little acts of faith, adoration, thanksgiving, repentance, forgiveness, and love that we can offer Him.
