

Divine Savior Catholic School Divine Dispatch January 11, 2021

School Office: Holly at hmasengarb@dscsfredonia.org 262-692-2141

The Mission of Divine Savior Catholic School is to provide an environment for children to excel personally, academically and spiritually. Together we share in the mission of Divine Savior Parish to foster a faith filled community where Catholic values are learned through prayer, service and love. Our goal is to use these values to develop lifelong learners and compassionate leaders.

From the Desk of the Principal

Now that January is underway, we will be focusing on another way to grow. During the month of September, we worked on *growing kindness*, in October, we worked hard on *growing compassion*, in November, our focus was on *growing in prayer* and in December, we worked on *growing patience*. This month we will be *growing hope*. We are all looking forward to a school full of hopeful students and teachers.

I would also like to take a moment to thank everyone for helping to sell the Calendar of Cash Raffle tickets. So many families went above and beyond the mandatory number of tickets. Our profit was \$14,820. AMAZING work! Thank you again for helping to support the mission of DSCS.

Yours in Faith. Principal Lynn Sauer

Featured Classroom: DSCS 1st Grade

First grade is one of the best grades ever. It is such a fun age and I am laying the foundations for so many skills AND I get to teach kids how to read. It is the best feeling ever when it clicks for each one – some take longer than others, but it is a magical feeling every, single, time.

It is my goal to help 1st graders grow academically, socially, spiritually and emotionally. I work to help them become critical thinkers and good problem solvers. My goal as their teacher is to give them the tools to accomplish the many tasks they face. I want each child to feel capable and be successful in everything they try.

I work to create a safe, caring and respectful environment for our classroom community. In showing the students how to become responsible for themselves, I aim to give them the tools to believe in themselves and carry those skills with them.

I also feel it is important to be able to share my faith as part of my daily teaching. I am so lucky because I get a hand in forming both the minds and the hearts of our children. I try to provide experiences and opportunities for them to know God has a very real place in their lives.

I am always looking for leveled books/readers to use and send home with the students. Because of the range of ability I use levels A through H on a daily basis. My classroom could also use math and language games that can be played in small groups. I would also love to update my reading center with a set of Big Joe bean bag chairs - 2 blue and 2 green as well as a new rug for our classroom.
