

Divine Savior Catholic School Divine Dispatch January 25, 2021

School Office: Holly at hmasengarb@dscsfredonia.org 262-692-2141

The Mission of Divine Savior Catholic School is to provide an environment for children to excel personally, academically and spiritually. Together we share in the mission of Divine Savior Parish to foster a faith filled community where Catholic values are learned through prayer, service and love. Our goal is to use these values to develop lifelong learners and compassionate leaders.

From the Desk of the Principal

Be sure to mark your calendars for our first ever Virtual Open House on Wednesday, February 3rd. We will be hearing from many of our teachers and working on some fun snowflake projects together in the zoom meet. All current families will have the Zoom link sent to them. We are also inviting prospective families and parishioners of any age. If you know someone who would like to attend please have them call (262) 692-2141 or email Holly in the school office for access to the zoom link at hmasengarb@dscsfredonia.org. An Open House Bag will be sent home in your family folder. Be sure to have scissors and glue handy!

If you are looking for a way to help support Divine Savior Catholic School you may consider participating in our Annual Day of Giving. On February 2nd-3rd, DSCS will be participating in the NCEA Day of Giving. All money raised from this event will stay right here at DSCS to help support important school initiatives. To donate you can go to our website: dsoll.org and search for the link or follow us on Facebook at: [DSCS Fredonia](https://www.facebook.com/DSCSFredonia). This year we have built in special incentives for our students as we reach each goal!

Over the next several weeks I would like to highlight how learning happens in each of our fabulous classrooms. I think you will be surprised at how innovative, faith filled and creative our DSCS staff is. Staff members will also highlight some needs for their classrooms in preparation for our *"Sponsor a Classroom Initiative"* coming in January. Perhaps you will be willing to help make their dreams come true!

Featured Classroom: DSCS Reading Support

The reading support classroom is an important part of our school where every student works hard to be successful readers, writers, and critical thinkers. DSCS readers improve their word study, fluency, and comprehension, along with building their writing skills. With the digital world competing for attention on a daily basis, having the motivation to read can sometimes be challenging. Having a wide variety of high-quality, high-interest books that foster enthusiasm for reading and help to build lifelong literacy skills is at the top of the reading room wishlist.

Within the reading room library, sets of nonfiction guided reading books that cover social studies topics for the upper level students to read would be a wonderful addition. The 5th-8th graders are highly curious about the United States and the world around them. While we do sometimes take short virtual visits to see important artifacts, having books that can help students engage with civilizations and historic events at a much deeper level would greatly enhance their learning.
