

The Mission of Divine Savior Catholic School is to provide an environment for children to excel personally, academically and spiritually. Together we share in the mission of Divine Savior Parish to foster a faith filled community where Catholic values are learned through prayer, service and love. Our goal is to use these values to develop lifelong learners and compassionate leaders.

From the Desk of the Principal

November is a time to be thankful at DSCS! We are certainly thankful for our school family and for the chance to learn and grow together. Our theme this year is “*Things to Grow*”. During the month of September we worked on *growing kindness*, in October we worked hard on *growing compassion* and this month we will focus on *growing in prayer*. It is important for our students to learn that when they grow their prayer life they are also growing in their relationship with God. We should be a prayerful place to be this month!

This week Tuesday, we will be honoring some very special people. In years past, DSCS hosted a Veteran’s Day Mass & program. This year we were unable to do this because of COVID.-19. However, we refused to let the pandemic dampen our love and appreciation for all of our honored veterans. On Tuesday, November 10th, we are hosting a Veteran’s Day Parade. Our students and staff will line the streets and hold signs and wave flags as our honored veterans drive past. We want every veteran to know how much we care!

Yours in Faith, Principal Lynn Sauer

College Care Packages

Attached to the Divine Dispatch you will see a College Care Package letter. For the last several years we have sent out care packages to former students, parish members & school family members. This is a great way for us to stay connected with the young adults in our school and parish families. DSCS & Our Lady of the Lakes Outreach work together on this project. Traditionally we mail the boxes after Thanksgiving; however, many colleges will be going online after the Thanksgiving break. This means that we needed to move our collection up. I know we have been asking a lot of our families in the month of October. We understand that your family may need to pick and choose the collections you support. Thank you for your understanding!
