

The Mission of Divine Savior Catholic School is to provide an environment for children to excel personally, academically and spiritually. Together we share in the mission of Divine Savior Parish to foster a faith filled community where Catholic values are learned through prayer, service and love. Our goal is to use these values to develop lifelong learners and compassionate leaders.

From the Desk of the Principal

Thank you to all who helped to support the DSCS BBQ Bonanza! Your generosity means so much to our students and staff. Thank you also to all of our PtA committee members, school families, staff members and volunteers for working the event. It could not have been done without your help. All of the money collected by the PtA will be used to help meet their \$55,000 commitment to the parish. This allows DSCS to keep tuition affordable for our families.

Yours in Faith- Principal Lynn Sauer

We are making a few changes this year:

- Fall Festival will be during the day, at school, on October 28th
- No tickets this year! Instead, students can make a donation to help support Sister Jo and her work in Texas and they will get unlimited opportunities to play the games.
- Classes will attend the festival and play the games as a class or a cohort to allow for social distancing
- Games will be sanitized following each cohort and we will have lots of hand sanitizer available.
- All students will receive a goodie bag with candy, treats & prizes as they leave the festival.
- We will still need candy donations if you are willing to help the Student Council out - donations can be sent to Mrs. Lynn's classroom.

College Care Packages

Attached to the Divine Dispatch you will see a College Care Package letter. For the last several years we have sent out care packages to former students, parish members & school family members. This is a great way for us to stay connected with the young adults in our school and parish families. DSCS & Our Lady of the Lakes Outreach work together on this project. Traditionally we mail the boxes after Thanksgiving; however, many colleges will be going online after the Thanksgiving break. This means that we needed to move our collection up. I know we have been asking a lot of our families in the month of October. We understand that your family may need to pick and choose the collections you support. Thank you for your understanding!
