

Divine Dispatch

Week of 2/2/26

The Mission of Divine Savior Catholic School is to provide an environment for children to excel personally, academically and spiritually. Together we share in the mission of Divine Savior Parish to foster a faith filled community where Catholic values are learned through prayer, service and love. Our goal is to use these values to develop lifelong learners and compassionate leaders.

From the Desk of the Principal

We have some great news at DSCS! We are excited to announce that we have been awarded an \$8,000 grant from the Catholic Community Foundation. This grant will help support special school programming. We cannot thank the Catholic Community Foundation enough for their generosity. The funds help us to offer therapy support for some of our students who struggle with anxiety or anger. Their mission to support Catholic Education is unmatched!

Yours in Faith, Principal Lynn Sauer
