## Week of 1/26/26

The Mission of Divine Savior Catholic School is to provide an environment for children to excel personally, academically and spiritually. Together we share in the mission of Divine Savior Parish to foster a faith filled community where Catholic values are learned through prayer, service and love. Our goal is to use these values to develop lifelong learners and compassionate leaders.

### From the Desk of the Principal

Happy Catholic Schools Week! We have a fun week planned for our students and staff to help celebrate everything we love about Catholic education. Our theme this year is "Let Your Light Shine" This week we will be doing just that! On Monday, we will let our light shine for all of God's creation. We will be dressing in animal print or dressing up like our favorite pet. We will also be making blankets to donate to the Humane Society. We will also be kicking things off with a prayer service- because a school that prays together, stays together! On Tuesday, we will let our light shine with our knowledge. We will be wearing college or trade gear and participating in an all-school trivia game. Tuesday is also our Open House from 5:00-6:30 and the start of our Annual Day of Giving. Be sure to stop by DSCS for a spaghetti dinner and for a tour of what we have been up to at DSCS. On Wednesday, we will let our light shine with our voices. We will dress like our favorite musician or musical genre and vote for our favorite Masked Singer! Our light will shine on Thursday with love! We will dress in red, pink and hearts for Mass and we will bring food for the food pantry that compliment each other (peanut butter & jelly, noodles & sauce, etc.). We will also have a compliment party in our classrooms. To wrap things up, on Friday, we will be letting our lights shine brightly by dressing in neon, sparkles & lights. We will also have our student/staff volleyball game and some fun minute to win it games. We are certainly looking forward to a fun Catholic Schools Week at DSCS.

Yours in Faith, Principal Lynn Sauer
