

Divine Dispatch

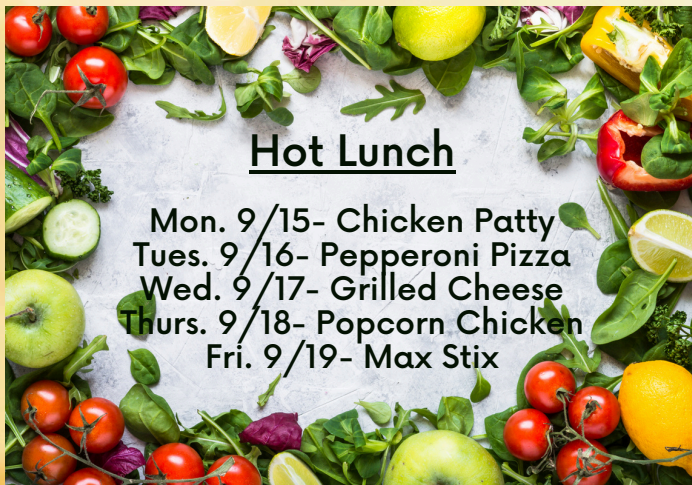

Week of 9/15/25

The Mission of Divine Savior Catholic School is to provide an environment for children to excel personally, academically and spiritually. Together we share in the mission of Divine Savior Parish to foster a faith filled community where Catholic values are learned through prayer, service and love. Our goal is to use these values to develop lifelong learners and compassionate leaders.

From the Desk of the Principal

September is flying by! I guess time flies when you are learning and having fun. Hopefully all of your children are settling into their new classroom routines. Each of our teachers work with the students to create a classroom mission statement. This mission statement is made up of the values and norms that our students want to see in their classroom. Many of our students value kindness, respect, faith, honesty and perseverance. I know all of our teachers and staff have been working very hard on building a great classroom community over the last few weeks. They would all love to fill you in on important routines and procedures. They will be available to answer any questions you may have at the parent meetings this Tuesday. It is so important that your children see that their teacher and you are partners in the learning process.

Yours in Faith, Principal Lynn Sauer

Safe Environment Training

The Archdiocese of Milwaukee requires that any employee or volunteer 18 years or older, that works with or has access to children, go through a Safe Environment training program. The program consists of an in-person training class and an on-line tutorial and background check. We will be holding a training on Monday Sept. 29 from 6-9pm at DSCS. Anyone attending this class must pre-register and do the online tutorial before the training. All school parents are encouraged to take this class so that they are able to volunteer for school events. Please register at this link.
