

The Mission of Divine Savior Catholic School is to provide an environment for children to excel personally, academically and spiritually. Together we share in the mission of Divine Savior Parish to foster a faith filled community where Catholic values are learned through prayer, service and love. Our goal is to use these values to develop lifelong learners and compassionate leaders.

From the Desk of the Principal

How can it already be the middle of April? This school year is flying by for sure. Besides teaching and helping our students learn and grow, I know our staff members have also been busy applying for grants the last few months. We are hoping to hear about them in the next month or so. We have applied for a Bruce Krier Grant to help with a playground remodel. We have also applied for a Love One Another grant to replace our Spanish and Music curriculum materials, and for an Archdiocesan GIFTS grant to add an outdoor gardening space, play garden and a greenhouse. Our teachers and staff are always working together and striving to make DSCS the very best it can be!

Yours in Faith, Lynn Sauer
