

The Mission of Divine Savior Catholic School is to provide an environment for children to excel personally, academically and spiritually. Together we share in the mission of Divine Savior Parish to foster a faith filled community where Catholic values are learned through prayer, service and love. Our goal is to use these values to develop lifelong learners and compassionate leaders.

From the Desk of the Principal

April is National Child Abuse Prevention Month. The Archdiocese of Milwaukee has always recognized the important month of April as Child Abuse Prevention Month. This year, they have also designated April 21st – April 27th, as Safe Environment Week. In doing so, they help to ensure that every parish and school, as well as the entire faith community focuses, at the same time, on the importance of keeping our children and youth safe. This year's theme for Safe Environment week is: "Protecting our Children starts with working as a Community on Prevention." At DSCS we will be honoring this important week and highlighting the importance of healthy children, healthy families and a healthy community.

Divine Savior Catholic School is already preparing for next school year! We will be saying good-bye to Mrs. Walter in 3K. She has decided to move on. I know we all wish her well in her new endeavors. We are excited to announce that Lindsay Diederich, our current part-time 4th grade teacher, will be taking over the lead in the 3K room. We will also be saying goodbye to Ms. Haskey. Rosemary Haskey has been a part of our DSCS family for many years! It is hard to imagine a DSCS without her teaching our students keyboarding and computer skills. Rosemary has volunteered her time all these years and has taught countless students how to type and use computers effectively. She will be greatly missed, but I have a feeling we will see her around the school and parish helping where needed.

Yours in Faith, Lynn Sauer
