## Week of 9/8/25

The Mission of Divine Savior Catholic School is to provide an environment for children to excel personally, academically and spiritually. Together we share in the mission of Divine Savior Parish to foster a faith filled community where Catholic values are learned through prayer, service and love. Our goal is to use these values to develop lifelong learners and compassionate leaders.

### From the Desk of the Principal

DSCS has SOARed back into action for our 2025-2026 school year. S.O.A.R is our PBIS (positive behavioral intervention system). It helps our students to learn what our school expectations are in the classroom, in the lunchroom, at recess, in extended day and more. S.O.A.R stands for: Strive to Shine, Own Your Words & Actions, Always Be Prepared and Respect God's Creation. I am always amazed to see all of our SOARing students in action!

Speaking of SOARing, we have some amazing volunteers at DSCS who help our students and staff SOAR! Joyce Buechler will be joining us once again to help in classrooms, Meg Modra will be helping our students learn more about painting ceramics, and Arlene Schueller will help with serving lunch. We also have a new volunteer this year! Her name is Debi Logman, and she is a retired teacher from St. Eugene Catholic School in Fox Point. She will be helping in 1st grade a few days a week. Our volunteers exemplify our mission of service. What a blessing!

Be sure to mark your calendars for next Tuesday. We will be having classroom parent meetings and our first PtA meeting of the school year. The teachers will hold short meetings in their classrooms to fill you in on important routines and procedures and they will be available to answer any questions you may have. It is so important that your children see that their teacher and you are partners in the learning process. Hope to see you all there!

Yours in Faith, Principal Lynn Sauer

### Safe Environment Training

The Archdiocese of Milwaukee requires that any employee or volunteer 18 years or older, that works with or has access to children, go through a Safe Environment training program. The program consists of an in-person training class and an on-line tutorial and background check. We will be holding a training on Monday Sept. 29 from 6-9pm at DSCS. Anyone attending this class must pre-register and do the online tutorial before the training. All school parents are encouraged to take this class so that they are able to volunteer for school events. Please register at this link.
