*If you are like most Christians, you are far more familiar with the
New Testament than the Old Testament..*

***THIS IS YOUR CHANCE TO COME
AND SEE HOW IT ALL BEGAN!***

Not only does the Book of Genesis tell us about the creation of the universe, but it also sheds light on the creation of the people of Israel, the descendants of Abraham. But wait, there's more! There's a story about the first couple and several stories of some dysfunctional brothers, as well as tales of jealousy and intrigue. Some people are honored, while others are shamed. It offers a little something for everyone in an attempt to explain the world around us.
