

Gables Stocking Stuffers: Instead of Christmas gift bags, this year the Human Concerns committee would like to put together Christmas stockings for St. Nicholas Day for residents at Gables on the Pond. So if you would like to be a Secret Santa to one resident at Gables and help fill a Christmas stocking, here are some suggested useful items to purchase:

toothpaste, toothbrush, individual Kleenex, small hand lotion, small unbreakable Christmas trinket, nut-free granola bars, lip balm, tic-tacs, sugar free candy, fuzzy socks, snack size crackers, note pad, activity books, and mints. Please drop off articles in church or on the parish office back porch by **Nov. 29th**. The Human Concerns committee will assemble the stockings and deliver them on the feast of St. Nicholas, Dec 6.

God bless you for your generosity.
