

Random Lake Area Ecumenical

Toy and Winter Wear Drive

Due to COVID-19 restrictions, the Food Pantry will not be able to distribute Toys and Winter Wear this year. The Random Lake Ecumenical Group has volunteered to help with this effort so that we can still reach out to the Food Pantry clients. A special thank you to St. Paul's Lutheran Church for hosting and leading this event, and to members of the Our Lady of the Lakes St. Vincent De Paul group for assisting with this project.

Please see the list below for suggested donations. Items should be delivered to your home church, and they will forward them to St. Paul's. If possible, deliver your donations to before Dec. 6, although we will accept donations after that time.

Please remember, **WE ARE ONLY ACCEPTING NEW ITEMS**. If you are making homemade hats, scarves and mittens, please feel free to donate them. However, we suggest if you want to purchase something, avoid buying these items, since we have an abundance of them.

PLEASE: NO Dolls AND NO Stuffed animals and NO USED items, Only NEW items

Suggestion of what we CAN use follows:

NEW underwear and socks – all children's to adult sizes – Boys and Girls
