# 4<sup>TH</sup> SUNDAY OF EASTER YEAR C

Have you ever watched a herd of animals as they journey toward a destination? It's remarkable that their every move seems to be in sync with the entire group. Whether it's a herd of cows, sheep, or even a flock of geese, the group seems to move as one body. Yet the key aspect that holds these groups together is their willingness to struggle—even suffer—to remain united as one body.

Imagine if Christians were united in this way! Our actions, beliefs, and movements would appear as one body, united in a deeper purpose. By uniting in this way, we would demonstrate our willingness to suffer for each other for the sake of deepening our unity as a body of Christ.

This has always been the call for followers of Christ. Jesus redeemed all of humanity in himself and even commanded his disciples to “be one, as you, Father, are in me and I in you” (John 17:21). And yet theological, cultural, and liturgical disputes have often split the Body of Christ from its intended unity.

So how can we achieve a united front? We must not only turn to our eternal good shepherd for guidance, but we must be willing to suffer for our fellow Christians in the hopes of uniting more deeply in Christ's love. This unity will not only draw us closer to each other, but in remaining united we can endure whatever sufferings may come our way, in the hopes that all Christians

## DUAL LANGUAGE ACADEMY

BISHOP HEELAN CATHOLIC SCHOOLS

This fall, Bishop Heelan will be opening a new program, the Dual Language Academy—where students learn both Spanish and English. It will be open to preschool and kindergarten students, conveniently located downtown at the CYO. All children from the tri-state area are welcome to enroll!

A parent information session will be held Wednesday, May 15, at 6:30 p.m. in the Bishop Heelan High School Media Center. Another session will be held at the Cathedral of the Epiphany, Sunday, May 19, come anytime between 11:30-1:30.

What is a dual language academy? Students become biliterate—meaning they will be able to read, write, speak and understand both Spanish and English. Research shows that young brains are most receptive to language learning and those who know two languages enjoy stronger academic success, adapts quicker to change, and grow in creativity. We are excited to introduce a new program that will truly prepare our young students for a global future.

The BHCS Dual Language Academy is in partnership with Boston College and its Two-Way Immersion Network for Catholic Schools (TWIN-CS). This program is grounded in research from leading Catholic educators around the country.

Be sure to check our website at [www.bishopheelan.org](http://www.bishopheelan.org) or attend one of our upcoming meetings for more information about the BHCS Dual Language Academy.
