## **SCAM!**

An email continues to be sent to parishioners that pretends to be from Fr. Roder. Unfortunately Fr. Roder is not the only person to have this happen.

Many principals, clergy, etc. across many states are experiencing this same situation. This scam is no different than the ones that many receive via email, text, and phone. The parish's database has NOT been hacked! Authorities were notified during the first round of emails that went out. Fr. Roder will not ask for any help, assistance, or favors in form of an email from parishioners to buy gift cards or send money. Just delete the email if you receive one.

Thank you.
