
Ready to start- RCIA

During this time of pandemic, there has been much time for reflection. One thing we have learned is that we are not in control of our lives. We have witnessed many situations that have brought deep grief and shared in the many sacrifices made by the people around us. We may have reflected on the Role of God and the why of Religion. Religion has taken on a new meaning for many and they are eager to learn more. If you know someone who might be interested talk to them and tell them what we offer. As we begin our RCIA again we will start with an inquiry group and move on from there. These sessions will be geared towards those interested in joining the Church or making a full commitment to the church (baptized in another religion) or persons who were baptized in the Catholic Church and never completed their sacraments. Please call Sr. Teresita at the Parish office for more information or email tkeliher@stphiliptheapostle.org.
