ST. VINCENT de PAUL MINISTRY

The last four months have changed many things. Throughout our period of quarantine, your St. Vincent de Paul ministry has continued to help neighbors in need by repairing cars used for work, providing food gifts, funds for rent, and assembling laundry kits and sack lunches for homeless individuals.

We are here for you, too! If you are experiencing hardship, leave a message at (626) 863-7041. Confidentiality is assured and we will quickly call you back.

We continue to help the needy in our area with grocery and gas gift cards, by covering urgent living expenses and through fellowship via phone. Checks should be made to SVdP-St. Philip Conference. Our temporary mailing address is C/O SVdP, 790 E. Colorado Blvd. - Suite 300, Pasadena, CA 91101
