

# St. Ignatius Children's Choir Summer Music Camp 2017

Every summer our Music Ministry provides an opportunity for children to experience being part of our Children's Choir during the summer when family schedules are simpler. This year's format will be a little different. We will have two distinct camp opportunities, which run over two weekends. Singers may participate in both or only one. The goal is for as many children as possible to have this experience with a short-term commitment. Please take a moment to read the following information and talk it over as a family.

If you have questions please feel free to email me.
