Extraordinary Ministers of Holy Communion

January & February 2019 Schedule

“Through our humble service as ministers of Communion,
God unites us to our fellow members of the body of Christ
and actually forms all of us into His Body.”

The Extraordinary Ministers of Holy Communion (EMHC) Schedule for January and February 2019 is attached. It includes all weekend Liturgies from January 5, 2019 through February 24, 2019.

If you experience any conflicts with the schedule please attempt to find a replacement or contact the Mass Captain (indicated by an asterisk * on the schedule for that Liturgy). Please communicate directly with your Mass Captain on changes to the published schedule. Please do not write “Needs Substitute” on the sign-in roster and expect that the Mass Captain will resolve the problem.

Ministers who are not scheduled to serve at the Liturgy that they are attending, but are properly prepared, should check in the Sacristy with the Mass Captain to see if they are needed to serve as a substitute.

****There are vacancies listed on the schedule for some of the Liturgies. Please consider volunteering to serve if you are attending one of these liturgies. Please send us an e-mail and add your name to the blank space in the Sign-In Book which will be available in the Sacristy.*

Jesus Presence in the Eucharist

We recognize as dogma that “Christ whole and entire is under the species of bread, and under any part whatsoever of that species; likewise, the whole (Christ) is under the species of wine, and under the parts thereof” (Council of Trent, session XIII, chapter III),

The above quote from the Council of Trent clarifies that Christ’s presence is whole and entire under both species of bread and wine and under the parts thereof. Communicants who present themselves for Holy Communion under both or either species should never be denied the Eucharist. Some communicants may not be able to receive the sacred body of Jesus due to medical reasons, such as Glucose Intolerance, but are fully able to receive the sacred blood of Jesus. As EMHC at St. Ignatius, please do not deny any communicant who presents themselves for Holy Communion the reception of one of the species; the sacred body of Jesus or the sacred blood of Jesus.

May God, Our Father, bless us with a joyful and healthy Christmas and New Year 2019.

Good Health Practices for Extraordinary Ministers of Holy Communion

With the onset of the cold and flu season the Diocesan Office of Worship offers to all Extraordinary Ministers of Holy Communion the following reminders on good health practices and the administration of the Communion cup at Mass.

PREVENTING THE FLU – Take Care of Yourself

Common sense is most important for the prevention of a cold or the flu. The following health precautions are strongly recommended to limit your risk of infection.

Get vaccinated. The Centers for Disease Control (CDC) recommends the flu vaccination, especially for those who are at high risk: young children, pregnant women, people with chronic health conditions & the elderly.

Stay home when sick. There is no sin if you miss Mass because you are sick or taking care of someone who is sick.

Cover your mouth and nose. When you cough or sneeze, use a tissue and throw the tissue in the trash after you use it (or use your sleeve if a tissue is not available).

Wash your hands often. Clean your hands regularly with soap and water, especially after coughing or sneezing. Alcohol-based hand cleaners are also effective.

Avoiding touching your eyes, nose or mouth. Germs spread this way.

Stay home an additional 24 hours. If you are sick with flu-like symptoms, the CDC recommends that you stay home for an additional 24 hours after your fever is gone without the use of a fever-reducing medication.

Limit contact with others while sick. If you are feeling sick or you are at risk for infection you should refrain from the Communion cup and perhaps shaking people’s hands at the sign of peace. (If someone chooses to refrain from the handshake, be gracious and considerate.)

ADMINISTERING THE COMMUNION CUP - Reminders

Even though the reception of the Precious Blood from the Communion cup is a much fuller sign of the Eucharistic banquet, the choice to receive from the cup is left to the individual communicant. The CDC has indicated that if the above mentioned preventative health habits are followed and all ministers of Holy Communion are cognizant of the reminders below the chances for infection are greatly diminished.

Stay home when you are sick. Find a replacement.

Wash your hands. Wash your hands before Mass or use an alcohol based anti-bacterial solution or wipe before distributing Holy Communion. Wipes are available in the Ministry Sacristy.

Use all of the purificator. Open the purificator fully and use a clean portion of the purificator to wipe the inside and outside rims of the cup after each communicant has received.

Turn the Cup. Give the cup a ¼ turn before presenting it to the next communicant.
