Can we trust the Gospels? Were these accounts written centuries later or by individuals with firsthand knowledge of Jesus? What about the so-called "lost gospels," such as the Gospel of Thomas? Get the answers to these questions and many more! Join us as we go through the

video Bible study lecture series by Dr. Brant Pitre, The Case for Jesus. In this series, Dr. Pitre examines why the Gospels are reliable sources of information and looks at the historical evidence that backs up this claim.

Sacred Heart School News

It's hard to believe that March is already here. We will
have spring break beginning March 13, and when we re-
turn to school, we will start the IOWA standardized tests
and the ARK (Assessment of Religious Knowledge)
tests.

Some of our students showcased their immense talents
on Thursday afternoon. We didn't have a lot of entries,
but the ones who participated did a great job. This was
just a small sampling of the many talents of our students.

We decided to have school on Friday, even though the
county schools were closed. We do not have the trans-
portation issues that the county does; therefore, we did
not feel that the threat of weather would affect us. We
did have a power outage for a while, but because we use
gas to cook, the lack of electricity did not affect our lunch
schedule.

For those of you who do not know, we do have a very
good storm shelter in our facility. When the firemen and
policemen toured our school, they said that our shelter
was probably one of the safest places in Lawrence
County in case of severe weather. If you live in the area
of the school, we want you to know that we will open the
basement door and make the facility available for those
needing shelter from storms.

Our students were supposed to lead the "Stations of
the Cross" on Friday night, but we decided to postpone
that until a later date. We will let you know when we re-
schedule.

Have a blessed weekend, and as always, thank you for
your continued prayers
