April 30: Catholic Home Missions Collection

St. Peregrine

As a young man St. Peregrine was a member of an anti-papal party until he encountered St. Philip Benizi, the head of the Servite order, who had been sent to try to reconcile the divided community. While trying to preach in Forli, Philip was heckled and even struck by Peregrine, who was overcome by momentary political fervor. But that moment also changed Peregrine. He began to channel his energies in new directions, engaged in good works and eventually joined the Servites in Siena and went on to be ordained a priest. Returning to his home town, he founded a new Servite house there and became well known for his preaching and holiness as well as his devotion to the sick and poor.

One of the special penances he imposed on himself was standing whenever it was not necessary to sit. Over time, Peregrine developed varicose veins and, in turn, cancer of the foot. The wound became painful and diseased and all medical treatment failed. The local surgeon determined amputation of the leg was called for.

Tradition has it that the night before surgery was scheduled, Peregrine spent much time in prayer before the crucified Jesus, asking God to heal him if it was God's will to do so. Falling asleep at one point, Peregrine had a vision of the crucified Jesus leaving the cross and touching his cancerous leg. When Peregrine awoke, the wound was healed and his foot and leg, seemingly miraculously cured, were saved. He lived another 20 years.

Peregrine was canonized in 1726.

Sacred Heart School News

Two exciting events took place this week. The first was the science fair which was one of the most impressive we have had. The students did a wonderful job explaining the scientific methods. The winners will be announced in next week's school news. If you don't want to wait until then, look on our Facebook page on Monday.

The next exciting event was the seventh and eighth-grade Dinner Theater which was held Friday night in the school cafeteria. The play was very entertaining, and the spaghetti dinner was delicious.

The eighth-grade trip will be next weekend. The students and their parents are looking forward to traveling to St. Louis, Missouri, to see a few of the many attractions. We will provide an update on that trip at a later date.

The sports banquet was held Saturday night. All of our student athletes were recognized and presented with medals. A special thanks to our coaches, Dr. Scott Benefield- cross country, Ashlee Sheaffer- girls basketball, Ben Beckman-boys basketball, and John Miller-soccer.

Have a blessed week, and thank you for your prayers and support.
