Second Collection for September September 17—School Collection

Dear Sacred Heart Parishioners,

As we sit here thinking about the events that took place last Saturday, Christina and I could easily get down and depressed, however, we can't stop thinking about all the blessings we have. We have our family. We have our friends, and we have an amazing church family, who have blessed us in so many ways. Saturday's events could have been way worse. We could have lost everything, but God was watching over our family. We want to thank you all for being so kind to us. It means so much to know how much you all care. God bless you and thank you for everything.

Sincerely,

Dustin, Christina, Cole, AvaRose & Xavier Robertson

Fraternus

Starting September 11th

Fraternus is a catholic brotherhood for 5th-12th grade. For over a decade Fraternus has been recovering the lost art of mentoring, harnessing the power of brotherly men and fathers, and teaching the virtues rooted in Christ as the path to authentic manliness. Fraternus has been mentoring boys into virtuous Catholic men. The program works because it is more than a program - it is a brotherhood. Fraternus does not begin in a technique or system, but in trusting the teachings of the Catholic Church and in having a solid philosophy and an understanding of the needs of nature and man.

School News – August 28-September 1, 2023

We have had a very unsettling week at school, and we want to thank everyone who has reached out with concern for Dr. Benefield. Please continue praying for him and his family. While Mr. and Mrs. Robertson were at Vanderbilt Hospital with Mrs. Benefield, they received word that their house had been struck by lightning and was on fire. They appreciate all the help they have received as they recover from this.

This week we will spotlight Mrs. Debbie Scott's kindergarten class. The students have so much fun that they don't even realize that they are learning, but learning they are. They learned to read color and shape words, high-frequency words, and words beginning with the letter C. They also learned to recognize rhyming words. One fun activity they did was to make an edible Chica-Chica Boom Boom tree. In science, they got to experience removing a coconut from its hull, boring a hole in the coconut, and drinking the coconut milk. Most of the students said it tasted "yucky."

We are looking forward to the Labor Day Festival when all of our hard work comes to fruition. We appreciate everything our parents and parishioners do to make this a success. We especially thank Mrs. Samantha Benefield for all the work she has done to prepare for this event. Even though she won't be here to see it to completion, we know she will be here in spirit.

Remember to bring your baked goods to school gym on Sunday night between 6:00-8:00 P.M. or between 7:30-8:00 A.M. on Monday morning. Thank you for your continued prayers and support.
