

St. Boniface Catholic School Football Fundraiser Week 10

After fifteen years we had a duplicate discovered among the 69,020 combinations. The combo WQ* should be EQ*. On the keyboard the "W" key and the "E" key are next to each other and evidently the "W" was hit and created a duplicate scoring combo. Each combo only occurs seventeen times and the EQ* only showed up sixteen when checked. Because it is our mistake, each ticket is awarded a full third place prize of \$50 since there should not have been a tie. The mistake has been corrected.
