Committee Reports

Parish Life – Val Hoy

- Men's Club still needs a treasurer
- Bulletins now being printed by 4LPI – what are they going to charge for bulletin ads?
- Asking for permission to still be able to award senior scholarship(s) in 2021 (since there are no longer separate accounts – all one church and funds)
 - Going to ask in Finance Committee Meeting on 02/23/2021 if scholarships are a line item in budget or can it be added?
- Gift cards left from Christmas have been given to ALC, Mercy, Centro Latino and some available in the church office to be able to hand out if people come to the office asking for help. Gift cards are for Kroger and Walmart.
- Scouts – Troop is doing good. Cub Scouts not meeting now due to COVID-19.
- Fish Fry Equipment – deterioration issues. Going to be cleaned and stored.
- Centro Latino – Still needs building permit from city. Has zoning permit already.
 - There will be a lease drawn up for Sister Pat and Centro Latino
- Discussion of how to get parishioners not coming to church back
 - Starting a list of who we've not seen in a while

- Send card or letter – we miss them and want them to come back
- Led to discussion of space in the church and/or ACC with COVID-19 distancing requirements.

Parish Faith – Jan Lambert

- Need meeting for all adorers for safety and procedures
- Kathy Hart is currently working on guidelines
- Led to discussions of intent for adoration, access to chapel, etc.
 - Some do not mind for others to come in/out during their adoration time
 - Some prefer to be completely by themselves
 - How do we maintain safety but also allow for those in the community that want to come pray for a few minutes
- Men’s club came to Parish Faith meeting with suggestion of changing mass schedule
 - Led to discussions of impact for families with children in religious education – would have to leave after an 8 a.m. mass and come back at 11 a.m. for class
 - More discussions of the capacity of the church and/or ACC with the COVID-19 distancing requirements
 - 12:00 Spanish mass is overflowing and would overflow the ACC as well (currently having issues with live streaming)
 - Discussion on getting an additional priest to be able to offer more mass times
 - Agreed to revisit this topic once COVID-19 ends; will do another survey with instructions for only 1 per family and make sure everyone is aware of the survey and deadline.
- Jan provided copy of Parish Faith Committee Meeting notes with highlights of each program within. (Religious Ed, Adult Formation, RCIA, Music, Worship, ACTS, Adoration)
- Next Meeting for Parish Faith – March 2, 2021

Administration Committee

- Need a chairperson for the Administration Committee
- Ben Zimmerman is currently assisting with looking at all contracts within the church and helping to identify contracts that need to be established.
- Working to change all of the codes to get into system in the church. Currently having an issue with internet services being “hacked” and removed for the weekend services.
- Working to ensure all programs are on the computers in the church office

- Business manager has resigned. Position has been posted.
- Freddy has resigned Parish Council. Ismael has resigned Parish Council. Both have conflicts with evening meetings. Will discuss replacing these positions at next meeting. Suggestion that the replacements be members of the Hispanic community to ensure there is representation

Agenda for Next Meeting
