

What is Christ Renews His Parish?

CRHP is an effective spiritual renewal experience presented by a team of parishioners. They attended the previous CRHP weekend and were properly formed in prayer and love as they attended team formation and were prepared to give back by presenting the next renewal weekend.

The renewal weekend emphasis is on personal and community renewal in a non-silent environment. You listen, discuss if you like, pray for grace and read Scripture to see how it impacts our everyday life. The weekend offers clergy celebrated liturgies including Mass and the sacraments. During the process you laugh, sing and savor the food that emerges from the SJE kitchens prepared by our CRHP alumni kitchen staff.

You will come away with a life-changing attitude and an improved relationship with Jesus Christ. You will be invited to continue on the next Christ Renews His Parish Formation Team.
