

What is Christ Renews His Parish?

Christ Renews His Parish is a spiritual renewal experience presented by a team of fellow parishioners. They attended the previous CRHP weekend and were properly formed in prayer and love through a formation process. They are prepared to give back by presenting the next renewal weekend. The weekend's emphasis is on personal and community renewal. You will listen, discuss if you like, pray for grace, sing, and read scripture to understand how God's Word impacts your everyday life. You will eat delicious food cooked by Christ Renews His Parish alumni in St. John's kitchen. The weekend offers clergy-celebrated liturgies including Mass and the Sacraments, along with other special moments and celebrations you won't soon forget! You will come away with a life-changing attitude and an improved relationship with Jesus Christ. You will be invited to continue on the next Christ Renews His Parish formation team.
