Release/Request Form - Standard Activity

as required by diocesan policy

Because I believe this program will benefit my child both educationally and spiritually, I request that my son/daughter be allowed to participate in **VBS/Earthkeepers** with St. Paul Parish (hereafter the "Organization") on **July 16-20, 2018.**

I understand that all rules of conduct and standards of behavior as deemed by the Organization will apply to this program, and I have discussed these with my son/daughter. I further understand that I must assume all responsibility and liability for my child while traveling to, from, and during the program. With this knowledge, I freely assume this responsibility and liability.

I further understand that the Organization is not responsible for any damages or accidents that may result from my child's actions or the actions of others. To the greatest extent possible, I release the Organization and the Diocese of Springfield in Illinois, and all those acting on their behalf, from all liability for damages to or caused by my child as a result of this event and I agree to indemnify them for any such damages.

Do any of the children you're registering have an allergy or other medical condition that might affect his/her ability to fully participate in the **VBS/Earthkeepers** program? **Yes** **No** If yes, please describe here:

If your son/daughter is taking medication, please bring all medication in the original prescription container with the label still attached. On a separate sheet, please write clear directions for taking the medication, including frequency, dosage, and storage. Place the container and directions in a labeled Zip Lock bag.

I hereby also give my consent for my child(ren) to receive emergency medical care during this program in the event I am unable to be reached in an emergency.

I hereby also give my consent for photographs/videos of my child(ren) to be taken and released, potentially for our parish bulletin, parish website/Facebook page, and/or diocesan newspaper. (The children will not be identified by name.)
