FIRST SUNDAY OF LENT
March 10, 2019

Putting God to the Test

I always thought of the temptations in the desert as part of Jesus' growth in "wisdom, age, and grace" (Luke 2:52). They show how Jesus was tempted to be a Messiah in a way that matched human expectations--those of Jews waiting for a Messiah--instead of doing what His Father wanted. So He could have provided for all our needs (turn stones into bread,) brought peace to the world as a great leader (worship the devil,) or been a superhero (jump off the temple without harm). But I also wonder if these temptations are what we expect of God.

Do we expect God to provide for our needs by turning stones into "bread" (i.e., money)? When we ask God to help us by doing everything for us, we are tempting the Lord. God does help us with our troubles, but usually by giving us the strength to get through them with our God-given abilities. This might mean finding a better job that uses more of our talents. It might be forgiving us, if we are the cause of our own troubles, and giving us the courage to start over. It might be a friend who helps us find the right doctor for a medical problem.

Or do we expect God to bring peace to the world by instantly removing all nuclear weapons or capturing all terrorists? When we pray for peace, we could pray that God show us what we can do to bring about that peace. We could follow Jesus' command to love those around us, so that peace spreads from our actions. We could be generous in giving to the poor, especially where poverty is the cause of war.

Maybe we expect God to be a superhero for us, curing diseases, stopping hurricanes or earthquakes, and strengthening our faith with spectacular miracles. Jesus would tell us the same thing He told the devil: "Don't put the Lord your God to the test" (see Luke 4:12). Instead, as we take time to pray over the scriptures, read spiritual books, and share our faith with others, we will find our faith growing and know that the Lord has been with us all along the way.

SACRAMENTS OF BAPTISM AND MARRIAGE

Because of the important community nature of the celebrations of Baptism and Marriage in the church, interested parties are expected to make advanced arrangements to allow for appropriate preparation programs to be completed. For Baptism, at least two months and for Marriage, at least six months notice is required. Thank you! Please call Parish Office.

MASS INTENTIONS

If you would like to dedicate a Mass for someone, it may be scheduled either by stopping by the parish office or calling. Since a Mass Stipend is truly an offering, the amount is entirely up to the individual scheduling the intention. The only insight we can offer is that the average stipend is approximately \$10.00 per scheduled Mass. The offering is truly up to you. Consideration: A Mass stipend is not required, rather it is a customary offering to the Priest. The spiritual value is in the Mass itself. The inability to offer a stipend should never deter someone from scheduling a Mass.

Our weekly sessions for R.C.I.A. (Rite of Christian Initiation for Adults) have begun. Sessions will take place on Sundays, in the parish parlor, from 9:40 to 10:40am. The journey of faith begins with questions - your questions. What do Catholics believe? How does Catholicism fit in with other faith traditions? The process begins with an "inquiry" period when questions lead to exploration. Please join us for a fun-filled, faith-filled, Spirit-filled gathering. If you would like to begin this journey of faith, please call our parish office and provide your contact information. (Name, phone number, email address, etc.). A member of the RCIA team will contact you with further information. We will look forward to meeting you and answering your questions. Deacon Mike Zboyovski/828-254-5193, ext. #1009

We will be happy to arrange visitations and reception of Communion once the parish office is notified regarding your wishes. It is our most sincere desire to keep our parish family connected and included, especially in times of dealing with health and recovery issues.
