

Peace Justice Care of Creation Mission – Vision – Guiding Principles Statements

(Updated: 08/25/2022)

Mission:

The Peace, Justice and Care of Creations Ministry acts on God's call to care for each other and the earth, our common home, through prayer, education and action.

Vision:

By 2027, the ministry will be a catalyst for change so that all parishioners recognize their responsibility in carrying out the social mission of the church. Catholic social teaching is being integrated into the full life of the parish.

Guiding Principles:

- Catholic Social Teaching is directly connected to our faith life.
- All outreach honors our multicultural community
- Social Ministry is the responsibility of all and must be integrated into the full life of the parish.
- Act with the principles of non-violence, both verbal and physical
- Actions are both local and global and include both direct service and social action
- Develop personal relationships to understand problems(issues) and help with solutions
- All we do is done with prayer
- Liturgy and evangelization are important ways in which we frame our messages of peace, justice, and care of creation
