

## **Knights of Columbus Council #9832**

The Knights of Columbus, Our Lady of the Mountain Council 9832, has been an active group at St. Vincent's since 1988. They have run an untold number of functions throughout the years to help the parish community. In the words of a past Grand Knight, "We make money so we can give it away."

Since 2016 the Knights have been involved in various projects to upgrade and improve the church facilities both inside and out. To date, a small group of men have saved the church approximately \$204,200.00 by doing the work themselves or by paying for the work or materials. Father recently called us "The not so spring chickens." He is right, the youngest in this group is 59 and the oldest is 75. The average age, 72.

We are looking for new members to help us continue our mission to help the church and community. Please consider joining us and participating in our mission. You can call the parish office for an application or you can contact:
