Stay Informed with REMIND

St. Vincent Parish is using the notification service, REMIND, which allows one-way messages via text, push notifications or email to everyone who chooses to participate. Parishioners will be alerted regarding cancellations, faith formation class changes, special Mass schedules, changes in parish events, funerals (when requested) and other important information. There are three separate REMIND groups.

- St. Vincent's Parish - @frpa
- Sunday Faith Formation Classes (all grades) - @stvreleds
- Wednesday Faith Formation Classes (all grades) - @stvreledw

You will need to sign up for each group that you are interested in. **Please note this is the only communication method that will be used to inform parents of changes and cancellations to Faith Formation classes.**

There are no open replies to REMIND messages. All messages are saved in the system in case they need to be referred to later. Your personal contact information is never seen by the parish. Messages will be sent directly to your phone, device or email account. There are three ways to receive information. You can register for as many as you want.
