## 8<sup>th</sup> Grade Parents Only

Dear Parents,

We just wanted to make you aware of some changes in the 8<sup>th</sup> grade PSR program.

This year we will teach Theology of the Body during the second week of PSR. Theology of the Body is based on a series of 129 lectures given by Pope John Paul II. This decision has been made with the students in mind. As of now the program is taught in 9<sup>th</sup> grade and there are ten lessons taught over ten weeks. It is such a tight fit on time because the program is so complex that it is often rushed or the fun parts like ice breakers are taken out. To better teach the program we have decided to start it a year earlier. The program is appropriate for eight graders. We will teach Chapters 1, 2, 8, and 9 which involve the fall, original innocence, priesthood, and marriage. Below I have a link where you can view the entire Theology of the Body textbook. If you have any questions or would like a copy of the parent guide to review please let me know.

Dana Millet

## ST. MARK PSR ATTENDANCE & PROGRAM POLICY:

All students attending summer or high school PSR are **expected** to be present for **ALL** classes. Religious education is more than just learning about the faith from a textbook. Through the students' interaction with one another in class, they learn to live their faith. We recognize that there may be circumstances that prevent a child from attending a particular class. However, your child's religious education should be made a priority.

## Volunteer Form

Volunteers are essential for our PSR program. It only runs if parents, family members and/or friends generously commit their own time and energy to any number of duties on and off the campus. Individual volunteers make an impact but multiplying that service by several people in the family helps our community even more. By serving this program we are serving Jesus Christ himself. Please return this form with your registration letting us know which way your family can help.
