

YFF

Our Youth Faith Formation (YFF) at St. Joseph Catholic Church is meeting once a month this year until the fear of COVID 19 has receded for students and teachers. Our parish program encompasses children kindergarten through eighth grade. Children who are on the older-side of four who are able to sit and listen are also welcome.

Teachers for YFF this year are: Damian and Melissa Simpson K-1st grade; Robin Giroux, 2nd grade; Josh and Courtney Chady, 3rd grade; Father Urban Osuji, 4th -5th -6th grades; Brian and Sarah Blades, 7th -8th grades with the assistance of Mrs. Becky Blades.

Pflaum Gospel Weeklies is the curriculum taught in class by the teachers on the dates provided below. A folder with Pflaum Gospel Weeklies is provided to the parents to home school their children on the weeks class is not in session. Students return folders once a month and then receive a new one with updated lessons and information. Online resources for students, parents, and teachers is also available through Pflaum.

Anyone who wishes to enroll in our YFF program may call the parish office for information. Please call the parish office to obtain the number of the Director of Religious Education if you have specific questions for me.

Peace and Good Health,
