Regular attendance in the Middle School religious education classes is a *required part of the preparation for Confirmation for our 8<sup>th</sup> grade students*. We understand that weekends are busy with sports and family activities. Religious education is not like math. If you miss a week you don't fall behind. Please help your child attend as many classes as possible. You are also welcome to take a text book home and homeschool for middle school. You will meet with the Director of Religious Education periodically as agreed upon.
