## APRIL 2026 NEWSLETTER

### Where Kids can spread their Wings!

It's so hard to believe we only have a few weeks left before we close this school year. Lots of exciting things are happening here at Wee Angels! The children are learning about the life cycle, letter sounds, rhyming words, counting, and building a strong foundation for reading. We encourage parents to please take a few minutes each day to read and have your child identify words and the sounds each letter makes. You will be amazed!
