MARCH 2026 NEWSLETTER

Where Kids can spread their Wings!

Wee Angels students are the best! These kiddos have been busy learning and having a great time too! They had a great time with their valentine activities and the parties were lots of fun! Thank you to all of the parents who participated in and facilitated the parties. We couldn't have done it without you! It's always so nice to have our Wee Angles families together!

The children are mastering their letters, numbers, and colors. They are improving in their handwriting and recognizing their last names. Time is going by so quickly and they are growing by leaps and bounds. We are blessed to be a part of it!
