#TryAlpha

Alpha Online is a series of sessions offering the opportunity for informal discussion of questions of life and faith with friends from the comfort of your home using Zoom.

A video presentation each week will explore basic questions of Christian faith about Jesus, prayer, the Bible, good and evil, the Holy Spirit, evangelization, and other topics. The video provides the framework for small break-out group discussions that encourage informal exchange of perspectives and questions in a respectful, friendly, and non-judgmental spirit.

Join us on **Wednesday, September 23 at 7 pm**. When you like what you see, you can come back each Wednesday (except Thanksgiving week) through **December 9**.

Each session begins at 7 pm with a welcome and introduction, a 30-minute video, and a break-out group discussion. All sessions conclude by 8:30 pm.

You will need a computer, tablet, or smart phone and a reliable internet connection. If you are not familiar with Zoom, we will help you. We want everyone to be comfortable with the online environment.

Learn more by contacting our Alpha coordinator, **Jackie LePine**, at (203) 217-1469 or Alpha.PrinceofPeaceParish@gmail.com.

Participation is free, but registration is required.

You can register [here](#) or by contacting Jackie LePine.

Great advantages discovered with Zoom for Alpha Online!

- 1.) The comfort of being in your own home enhances people opening up quicker, so friendships happen sooner.
- 2.) Zoom is easy to master. If you are not familiar with Zoom, assistance will be provided.
- 3.) The meeting takes just 1½ hours, and it eliminates travel time through the dark or snow.
- 4.) Zoom allows us to post the discussion question while we are talking about them, so we can maintain focus. Shy people can comment in writing.
- 5.) There's no pressure to learn names. The names appear under the picture of the person in Zoom.
- 6.) You have a clear view of each person at all times.
- 7.) We create social time by participating in fun and light discussion using starter questions so you can learn interesting things about each other.
