City on a Hill High School Ministry presents:

M3YOU High School Nights: Mass, Meal and More (NEW!)

M3YOU is open to all High School students.Occurs once a month on a designated Saturday (see schedule) starting with teens attending 5:15 pm Mass together, followed by a shared meal then some type of activity. Each month will have a different focus.

- Purpose; To provide our High Schoolers an opportunity to encounter Jesus Chirst in the Mass and the Eucharist, to form a peer community and get to know faith filled teen leaders and adult mentors.Our goal is to empower our teens to live as disciples of Jesus Christ in our world today. .
- City on a Hill core team will participate in the planning and facilitate the event, supported by adult mentors.

"Sprinkles of Faith"

"Sprinkles of Faith" is new this year! What is it? Donuts are offered in the gym after a designated Mass (see schedule) with information and discussion questions created by the students on a topic based on something they are learning in class.. These questions will be displayed on the tables for parishioners to use to stimulate faith filled discussions. Each class will be assigned a date where they will help set up, server, circulate and teardown.

Student Absence: We expect students to be present at classes. However, we also understand that illness occurs. If a student will be absent for a class, we ask that parents call or email to excuse the absence **before** class. If reporting the absence **after 5pm please email**: students name and grade to judy.apel@stanns-school.org .

Because we meet for such a small amount of time and this is a sacrament preparation year, students will be asked to make up lessons independently when they miss class. If a student is habitually absent, they will be asked to meet with Mrs. Apel to discuss a plan to cover the missed information.

Inclement Weather:

- If school is canceled for the entire day or partial day due to inclement weather, we will not have class that night.

- If school is held for the entire day, but there is a major snow or ice storm predicted to severely restrict travel, classes will be canceled. In that case, the cancellation will be announced on the local television stations and an announcement will be made at school. In addition, I will send an email indicating classes are canceled.

Additional dates for your calendar:

Service Opportunities:

Throughout the year opportunities to participate in service projects with the St. Ann parish and the greater community will be made available. You will hear about these opportunities through emails and the St. Ann Church website.

Candidates record of service experiences should be completed and turned in by April 26th .
