Attendance Policy:

We expect students to be present at classes. However, we also understand ill health and other commitments sometimes occur. If a student will be absent for a class, we ask that parents call or email to excuse the absence. If a student is habitually absent, they will be asked to make up lessons independently.

Our Parish website <http://stannparish.weconnect.com> will be kept up to date with any forms or information you may need. Please consult the website for things such as calendars or closings due to inclement weather! There will be photos of our events as well, so you may see some familiar faces.
