Student Absence: We expect students to be present at classes. However, we also understand that illness occurs. If a student will be absent for a class, we ask that parents call or email to excuse the absence **before** class. If reporting the absence **after 5pm** please email: students name and grade to [judy.apel@stanns-school.org](mailto:judy.apel@stanns-school.org) .

If a student is habitually absent, they will be asked to make up lessons independently.

Inclement Weather:

- If school is cancelled for the entire day or partial day due to inclement weather, we will not have class that night.
- If school is held for the entire day, but there is a major snow or ice storm predicted to severely restrict travel, classes will be cancelled. In that case, the cancellation will be announced on the local television stations and an announcement will be made at school. In addition, I will send an email indicating classes are cancelled.
