

Comparison of Nancy Mace and Joe Cunningham on Right to Life

From the web site of Nancy Mace:

We must safeguard our right to life, liberty and the pursuit of happiness. It was no accident that our Founders listed life as the first of our God-given rights. I'm pro-life and believe we should defend life and liberty from conception to natural death. As a mom of two children, this is an especially important issue, to protect life.

In my role as a State Representative I have:

Voted to block government funding of Planned Parenthood consistently, year after year.

Sponsored pro-life legislation with H3779 the South Carolina Unborn Child Protection from Dismemberment Abortion Act.

Voted to pass the Fetal Heartbeat Bill in 2019.

From the web site of Joe Cunningham:

“In Congress, I am fighting to keep the government out of intimate healthcare decisions between a woman and her doctor, and I oppose efforts to defund Planned Parenthood and other women’s health resources.”
