The Sermon on the Mount

Jesus' call to profound discipleship in the Sermon on the Mount is too often dismissed as special instructions for only the holiest and most exceptional Christians. In *The Sermon on the Mount*, Clifford Yeary challenges us to hear the sermon once again as Christ intended it, as our call to follow him whose life illustrated its every ideal. Yeary helps us to hear the Sermon on the Mount as a message for each of us, a challenge that is our constant call to renewal. Commentary, study and reflection questions, prayer and access to recorded lectures are included.

Sessions:

- Session One: Matthew 5:1-12
- Session Two: Matthew 5:13-48
- Session Three: Matthew 6:1-21
- Session Four: Matthew 6:22-7:29

From: *The Bible Today*

This is another excellent resource for group Bible study from Little Rock Scripture Study. It offers a four-session study of Matthew's Sermon on the Mount. Little is left to chance here. Besides a clear and competent exposition of Matthew 5-7, the booklet lays out for the leader of the study group a systematic step-by-step process for involving members in thoughtful study and reflection on this key New Testament text.

The Bible Timeline: The Story of Salvation

Understand the Entire Bible

The Bible Timeline study program takes you on a guided journey through salvation history. Presenter Jeff Cavins will show you how fourteen of the Bible's narrative books tell the biblical story from beginning to end and give you the keys to understanding the amazing story woven throughout Scripture.

In this revolutionary approach to Bible study, The Bible Timeline divides the Bible into twelve time periods that make it easier to follow its narrative thread. You will learn the major people, places, and events of the Bible and discover how they all come together to reveal the remarkable story of our faith.

Through its 24 sessions, The Bible Timeline will teach you how to read and understand the Bible and introduce you to the wonderful narrative of the Bible in a way that will transform your life.

The videos are just one part of the study program. Each presentation is designed to accompany a lesson in the Study Set.
