St. Francis by the Sea Altar Servers

Being an altar server is a great service to the Church. It helps you grow in skill and confidence and it is a very important ministry that involves commitment. The Mass does not occur by itself. It is also a lot of fun, because you belong to a special team!

Please talk to your parents and have them help you fill out the information on the opposite page and return this form to the Church office to the attention of Colleen Rzczycki. If you have any questions please either call Colleen Rzczycki or you may e-mail her at C-rzec@stfrancishhi.org. We thank you for your much needed help!

THE MISSION

The principle function of the Altar Server is to assist the Bishop or priest at the celebration of the Eucharist, to bring the sacred vessels to the altar at the presentation of the gifts, and to minister the wine and water for the presider.

THE COMMITMENT

- ♦ **To serve as scheduled or to find a replacement—”NO SHOWS” disrespect the Liturgy.**
- ♦ **Dress properly (i.e. no tennis shoes or sneakers)**
- ♦ **Arrive 15 minutes prior to the beginning of the Liturgy.**
- ♦ **Encourage and assist other servers as needed.**
- ♦ **Set an example for the entire congregation by participating in the Eucharist.**
- ♦ **Hang up your cassock and surplice at the conclusion of the Liturgy.**
