## Pastoral Council

ON MAY 19TH & 20TH, ELECTIONS WILL BE HELD FOR FOUR (4) MEMBER-AT-LARGE POSITIONS ON OUR PASTORAL COUNCIL.

MEET THE NOMINEES.

### PAUL GUNDRUM

If I am re-elected to St John's Pastoral Council, I will continue to contribute to the vitality and success of our parish. As my children are getting older, I have more time to serve others outside the home. It would be my honor to use this time to help the parish achieve God's mission as we together live out our Catholic faith. I have been a parish member for over 20 years. During these years, I have been an Athletic Association board member, helped with the Festival and Miller Park games, led a Cub Scout den, and coached seven seasons of basketball. I am currently serving as a Pastoral Council Liaison for the Finance Committee. I have been employed in technical documentation at Johnson Controls for almost 35 years. I currently reside in Franklin with my wife Amy and our five children, one of whom is now on his own. My youngest son Jack will be confirmed here at the end of this month.

### BOB HOGAN

My name is Bob Hogan and I am once again running for the Member-at-Large position on your Pastoral Council. In my last three years on the Pastoral Council, I have directly served on the Buildings and Grounds Committee. In my 35 years with St. John's, I have served with various organizations, some of which include Festival, Holy Name Society, Elder Ministry, Liturgy Committee, Scout Master, and others. My two children both attended eight years of schooling here and have successful careers today. I want to continue to make St. John's the best it can be for our children and parishioners by helping expand our faith through use of time, talent, and resources. The success of our parish can only happen through our united effort and continued strong faith. Please accept my nomination and my commitment to serve on your Pastoral Council. Thank you for your consideration.

### JOAN LANCOUR

My husband and I have been members of St. John's for over 20 years, and endeavor to actively participate in some of the many activities offered within our parish. We are members of the St. Cecilia & Resurrection choirs.

My parochial education, grade school through college, has been a blessing, and has given me better understanding of how important Catholic education is. My college studies were in the areas of business administration and the legal field.

St. John's has an outstanding school and religious education program. The rectory and school staff, as well as the religious education teachers, are doing a wonderful job, under the leadership of our pastor.

My current areas of service at St. John's are: serving as an Extraordinary Minister, singing in our choirs, being involved in the Right to Life Committee, and serving as liaison between Southwest Interfaith and St. John's. Former areas of service were with the Stewardship Committee, Slovenian Choir, and 100th Anniversary Committee. If elected to council, I will do everything possible to promote our exemplary parish and its programs.

### MATT RIECK

My name is Matt Rieck. My wife, Laurel, and I have been married for 20 years. We met while attending local Catholic High Schools, 30 years ago. Our son, Harrison, will be a junior at MUHS, and our daughter Maddie will begin DSHA next year. They both attended SJE school and we are very pleased that they received a complementary faith-formation here, as we provide them at home.

As a cradle Catholic, I took our Faith for granted for much of my life. Years ago, I responded to the tug in my heart to grow in conversion...as we all are called to do. Through Bible study, listening to Relevant Radio, attending Men of Christ conferences and reading faith-based books, I have found that our Catholic faith is something I really enjoy! Sharing my time, talent and treasure has become natural to me. I currently serve the SJE Parish as a Lector, the Secretary for the Pastoral Council and also the Chair of Christian Formation. I believe and promote the New Evangelization movement in our Faith as prompted by St. John Paul II, including organizations such as: Matthew Kelly's Dynamic Catholic, Bishop Robert Barron's Word on Fire, Relevant Radio, and Chris Stefanick's Real Life Catholic. Outside the Parish, I serve Milwaukee's German heritage through the Bavarian Soccer Club, Milwaukee Oktoberfest and Germanfest. In my professional career, as an engineering manager, I attempt to follow the example my mother gave me by preaching the Gospel always, and when necessary using words (OK...she stole that from St. Francis).

I am willing and able to serve our community as a Pastoral Council member. Thank you for the opportunity.
