

Mrs. Prideaux's Fantastic First Grade
Newsletter for the Week of January 18th, 2021

Reader's Workshop: The students will continue to discover the wonderful world of fairy tales! This week will practice tackling tricky words in our reading.

Writer's Workshop: The students will begin brainstorming ideas for writing their own fairy tale. I cannot wait to see what they will write about!

Word Work: The students will work with the digraphs "sh" and "th". They will also practice putting words into alphabetical order.

Religion: Our class will continue to learn about the miracles Jesus performed during His public ministry.

Science: The children will continue to learn about the relationship of the sun and how it affects Earth's seasons.

Math: The students will continue to learn how to use various math strategies to solve addition problems.
