

Mrs Prideaux's Fantastic First Grade

Our Newsletter for the Week of September 21st, 2020

Happy Birthday to our friend Jordan! He will be turning seven on the 23rd!

Book orders have gone home today. Our class code is **TPN2H**. The children are so excited to read! I **highly recommend** ordering the **Bob Book series** to help your child become a better reader. You can order sets through the Scholastic Book Club or Amazon.

Reader's Workshop: The children will learn about the parts of a book, picture clues, and how to retell a story by using the pictures.

Writer's Workshop: Our class will learn about narrative writing and create a narrative sample of their own.

Word Work: We will continue to review letter sounds, while focusing on the vowels. This week we will work with words containing the short i sound. The class will also continue to identify the CVC pattern in words.

Religion: The students will learn about the story of Abraham.

Social Studies: We will continue to learn how to be a good citizen.

Science: Our shark unit will continue this week. We will be focusing on more of the shark's adaptations.

Math Workshop: The students will be learning about number sense with numbers up to 120.
