

**Mrs. Prideaux's Weekly Newsletter for the Week of
January 10th, 2022**

Reader's Workshop: The students will learn how to visualize what they read.

Math Workshop: The students will learn about the commutative property.

Writer's Workshop: The class will be learning to use adjectives to make their writing more interesting.

Religion: The students will be studying the story of Noah and the flood.

Social Studies: We will learn about the continents.

Word Work: The students will continue to work on CCVe words.

Have a great weekend!
