

## **Mrs. Prideaux's Weekly Newsletter for the Week of October 10<sup>th</sup>, 2022**

Reader's Workshop: The students will continue to learn about "just right" books and how to partner read.

Math Workshop: The students will continue to learn how to utilize addition strategies within ten.

Writer's Workshop: The class will continue to work on sounding out words in their writing.

Religion: This week we will begin our unit on the saints.

Science: We will continue to explore animal adaptations.

Word Work: The students will identify CVC patterned words and CCVC patterned words. The vowel of the week is the letter "u".

**Have a great weekend!**
